Produktbeschreibung

Silicon Power Blaze B30 64 GB USB 3.0 3.1 Gen 1 Typ A Schwarz USB-Stick 64 GB

Produktbeschreibung:

Shine like a Jewel

Featuring a geometric diamond-cut pattern carved on the glossy translucent body, Blaze B30 shines like luxurious jewellery and is able to sparkle from the different sources of light.

Swivel for Easily Use and Store

The 360-degree swivel cap design with the stainless metal structure allows users to use and store with just a thumb push. The capless design also features a swivel axis and the built-in metallic movement guarantees higher quality and better durability for long-term operation.

SuperSpeed USB 3.1 Gen1 interface

SuperSpeed USB 3.1 Gen1 (USB3.0) interface enables blazing-fast speed performance to quickly transfer large files including HD videos, high-resolution photos and great numbers of documents in seconds.

- 4-way positioning rotating patents
- Cap-less design for easy use and store
- Great reliability, rotating over 5000 times
- Classic diamond-cut pattern for a more stylish look
- Recuva File Recovery provided, allowing recovery of erased files, such as digital photos, documents, music and videos
- SP Widget, the exclusive free-download software, provides powerful functions such as data backup & restore, AES 256-bit encryption and cloud storage for efficient data management
