Produktbeschreibung

ThrustMaster Ferrari T80 488 GTB Edition Lenkrad- und Pedale-Set kabelgebunden für Sony PlayStation 4

Produktbeschreibung:

Thrustmaster T80 Ferrari 488 GTB edition for PS4

+ PC This is the official licensed 8:10 scale replica of the Ferrari 488 GTB racing wheel by Thrustmaster! It's designed to provide total realism in all PlayStation 4 racing games that support wheels and is also compatible with PC (Windows 10/8/7).

The Thrustmaster T80 Ferrari 488 GTB edition for PS4 + PC comes with a large 2-pedal pedal set with adjustable angle of inclination and wide foot-rest for ultra-precise, comfortable acceleration and braking. Official licensed 8:10 scale replica of the Ferrari 488 GTB Compatible with PS4 (built-in "PS", "SHARE" and "OPTIONS" buttons) and PC (Windows 10/8/7) Ergonomically-designed wheel, optimized for all types of racing games (GT, F1, Stock car, Rally, Arcade, etc.) Realistic linear wheel resistance with automatic re-centering Wheel-mounted sequential paddle shifters: 2 up and down digital paddle shifters let you switch gears more quickly Large 2-pedal pedal set included Central clamping system with wide jaws for optimal stability
