Produktbeschreibung

Logitech K/Rally Bar+Tap EU Graphite

Produktbeschreibung:

Easily turn any space into a native platform meeting room with one-touch join, wired and wireless content sharing and centre-of room control with Tap. Logitech room solutions in appliance mode are designed with Logitech's Collab OS operating system utilising Android, eliminating the need for an external PC. Preconfigured for simplified setup and management, the Logitech Medium bundle includes the Logitech Rally Bar (graphite) and the Logitech Tap Cat5e touch controller.

Systems arrive ready for simple, secure installation. With premium components, clever cabling, and flexible mounting, Logitech room solutions make it easy to deploy rooms throughout the workplace.

The Rally Bar Medium room solution is certified for and configurable with Microsoft Teams, Zoom, Ring Central, GoTo Meeting and Pexip
